ABOUT US

We own our manufacturing in Malaysia that covers the business from west to east. If problem arises, we can solve the issue as quick as possible. You will be getting support directly from manufacturer.

We also have advanced and sophisticated machines to custom-made all requests, as well as shirt printing like Sublimation, Silkscreen, Embroidery, Heat Transfer, Direct To Garment & Cad Cut Vinyl.

A man and a woman are shown in profile, facing each other. The man is on the left, wearing a bright blue short-sleeved button-down shirt with white piping along the collar, placket, and pocket. The woman is on the right, wearing a bright red short-sleeved button-down shirt. They are standing in front of a blue, vertically-pleated or textured fabric backdrop. The lighting is soft and even.
